REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "Cost of Implants Not Paid In Full. 10% cost Not Paid."

Amount in Dispute: \$4,345.00

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "The total cost of implants is \$6,085.40 plus 10% (\$608.54) = \$6,227.54. We are paying an additional amount on the implants of \$932.80. The inpatient portion was paid according to the current fee schedule at 108% rather than 143% because the implants were reimbursed separately. Per Medicare PC Pricer the reimbursement is \$11,676.51 times 108% is \$12,610.63 which TASBRMF reimbursed correctly. The provider is requesting additional payment on the inpatient portion to be paid at the 143%, this is incorrect since separate reimbursement was requested for the implants. We have attached a copy of the EOMB with the additional amount for the implants. TASBRMF feels we have reimbursed the bill correctly and the portion we paid incorrectly is being reimbursed."

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving a medical fee dispute.
2. 28 Texas Administrative Code §134.404 sets out the guidelines for reimbursement of hospital facility fees for inpatient services.
3. 28 Texas Administrative Code §134.404(e) states that: "Except as provided in subsection (h) of this section,

regardless of billed amount, reimbursement shall be:

- (1) the amount for the service that is included in a specific fee schedule set in a contract that complies with the requirements of Labor Code §413.011; or
 - (2) if no contracted fee schedule exists that complies with Labor Code §413.011, the maximum allowable reimbursement (MAR) amount under subsection (f) of this section, including any applicable outlier payment amounts and reimbursement for implantables.”
 - (3) If no contracted fee schedule exists that complies with Labor Code §413.011, and an amount cannot be determined by application of the formula to calculate the MAR as outlined in subsection (f) of this section, reimbursement shall be determined in accordance with §134.1 of this title (relating to Medical Reimbursement).
4. 28 Texas Administrative Code §134.404(f) states that “The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors as published annually in the Federal Register. The following minimal modifications shall be applied.
- (1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:
 - (A) 143 percent; unless
 - (B) a facility or surgical implant provider requests separate reimbursement in accordance with subsection (g) of this section, in which case the facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 108 percent.”
5. 28 Texas Administrative Code §134.404(g) states that “Implantables, when billed separately by the facility or a surgical implant provider in accordance with subsection (f)(1)(B) of this section, shall be reimbursed at the lesser of the manufacturer's invoice amount or the net amount (exclusive of rebates and discounts) plus 10 percent or \$1,000 per billed item add-on, whichever is less, but not to exceed \$2,000 in add-on's per admission.”
6. The services in dispute were reduced/denied by the respondent with the following reason codes:
- Explanation of benefits dated September 2, 2011
- W1 — Workers Compensation State Fee Schedule Adjustment
 - 193 — Original payment decision is being maintained. Upon review it was determined that this claim was processed properly.

- Explanation of benefits dated March 2, 2012
- W1 — Workers Compensation State Fee Schedule Adjustment
 - 193 — Original payment decision is being maintained. Upon review it was determined that this claim was processed properly.
 - 9/2/11 —MAINTAIN ORIGINAL AUDIT. APPLIES TO ALL LINES OF SERVICE PREVIOUSLY PAID.

Issues

1. Can the maximum allowable reimbursement (MAR) amount for the disputed services be determined according to 28 Texas Administrative Code §134.404(f)?
2. Did the facility or a surgical implant provider request separate reimbursement for implantables in accordance with 28 Texas Administrative Code §134.404(g)?
3. Is the requestor entitled to additional reimbursement for the disputed services?

Findings

1. Review of the submitted documentation finds that the maximum allowable reimbursement (MAR) amount for the disputed services can be determined according to 28 Texas Administrative Code §134.404(f).
2. Review of the submitted documentation finds that separate reimbursement for implantables was requested in accordance with 28 Texas Administrative Code §134.404(g).

3. The Division finds the total allowable for implantables billed under revenue code 470 is:

Description of Implant per Itemized Statement	Quantity	Invoice Cost	Cost + 10%
Genox Cem TIB	1	\$4,854.65	\$4,854.65 + \$485.47 = \$5,340.12
Cobalt G-HV Cement	2	\$197.50/each (Invoice is for 20)	\$197.50 + \$19.75 = \$217.25 x 2 = \$434.50

Reimbursement for the disputed services is calculated in accordance with 28 TAC §134.404(f)(1)(B) as follows: The Medicare facility-specific reimbursement amount including outlier payment amount for DRG 470 is \$11,676.51. This amount multiplied by 108% is \$12,610.63. The total net invoice amount (exclusive of rebates and discounts) for the disputed implantables is \$5,249.65. The total add-on amount of 10% or \$1,000 per billed item add-on, whichever is less, but not to exceed \$2,000 in add-on's per admission is \$524.97. The total maximum allowable reimbursement (MAR) is therefore \$18,385.25. The respondent previously paid \$17,905.36, therefore an additional amount of \$479.89 is recommended for payment.

Conclusion

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$479.89.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby **ORDERS** the respondent to remit to the requestor the amount of \$479.89 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
